Laurie Sutherland (CHN), Debbie Jones (CHN) and Sue Darby (YMCA) also participated. Phase one is 56 units (1 bedroom) and will house former residents from the Downtown YMCA. Per their PowerPoint presentation the project is just under 200 days behind in construction progress due to lumber issues, storm system work, COVID and weather. The new phase 1 completion date is December 2022, which will be about 90 days behind their anticipated opening date. Phase 2 which has yet to be funded completely by the Ohio Housing Finance Agency will be 44 units (1 bedroom) and will be occupied with 80% of the residents coming from 40 W. Long Street, this phase will be permanent supportive housing for individuals with a disability and a history of homelessness. If funded, groundbreaking will be summer of 2022. Good neighbor agreement Draft Copy #5 is available with Marion Franklin Civic Association and is unsigned but available for viewing. Discussion followed about the good neighbor agreement with Marion Franklin, with Commission Patterson voicing his concerns. CHN and Marion Franklin Civic were referred to mediation arranged through our community liaison if there was community interest. Commissioner Richardson asked the community to keep those less fortunate in mind. Commissioner Eubanks brought up the various community meetings held and the feelings of the community and the refusal by CHN of items requested in previous good neighbor agreements by the community, but that this will be brought back again to the Marion Franklin community for their input.

Councilmember Nicholas Bankston gave a presentation about his history of service in the community including as a former area commissioner, as CEO of Gladden Community House and now as a City Council member. This visit is part of his promise to visit every area commission in his first 100 days. Councilmember Bankston chairs the Economic Development, Technology and Small and Minority Business committees. He introduced his staff members and provided their contact information. Commissioner Richardson was introduced by Chair Draudt as our Economic Development Committee Chair to Councilmember Bankston. Councilmember Eubanks invited the councilmember to the Marion Franklin Civic Association’s next meeting. Lastly, Councilmember Bankston thanked all of the commissioners for their service to the community and city.

Center is being constructed to take away the burden for crisis services placed on hospital ER's and divert these clients to more appropriate settings at ADAMH. The location is on Harmon Avenue with groundbreaking this summer with a ribbon cutting in 2024. An informative question and answer session followed the presentation.
